

Notes from Wheelrights Routes Group Meeting

held Wednesday 13th April 2015 at Pumphouse

Present:- Chris Walsh (CW), David Naylor (DN), Nick Guy (NG)

Apologies:- John Sayce (JS), Mike Lewis (ML), Chris Connick

Meeting chaired by CW.

1. Existing Infrastructure Review (From Monthly Rides)

1. The following stretches have been audited and are now available for review on the Wheelrights website under 'Infrastructure'. Thanks to DN for updating and placing on website
 1. Crossvalley (NCN 43->Morrleston->P'gaer->Gorseinon), audited on 7-Mar-15. Report completed by DN and now on website
 2. Advanced Stop Lines (ASL's) audited 4-Apr-15 in Sketty, Uplands, and City Centre
 3. Next Audit 2nd May will review City Centre->Liberty via Morfa Relief road->Bonymaen

2. Cycling Action Plan (CAP) next meeting 21-Apr-15 - Items to be raised

1. Kingsway - Update required and Council plans both short and longer term
2. Formation of Technical Sub-Group to review to Existing Infrastructure Issues and or agree process by which issues can be resolved
3. Update on City Centre to Liberty (relevant for next Routes ride 1.1.3 above)
4. Active Travel Wales Act 2013 - Current Council thinking and the role Wheelrights may have.
5. North Gower Route between Pont-y-Cob Road & Penclawdd, update on Compulsory Purchase Order floated at last CAP meeting.
6. Update on South Fabian Way, upgrades to NCN 4

Some of the above were raised at the last CAP meeting, notes of which can be found on this link:-<http://www.wheelrights.org.uk/CAP15jan20nm.pdf>

3. Next Meeting 5:45pm the Pumphouse, date tbc once next Wheelrights mtg date known
