Email corrections to: wheelrights32@gmail.com

Education 11+	Routes	Elevation -
Employer	Great traffic free	0m-50m
Hospital	Good with Minimal traffic or Segregated	50-100m
Shopping	Poor cycling provision	100m+
Location	Unsuitable No provision or busy/fast road	
Bike Hire		

To enable everyone to cycle in comfort we need high quality Space for Cycling, inclusive for all ages and abilities, connecting communities with schools and centres of employment. Routes must be direct and cohesive, with space on main roads reallocated from the general carriageway, not the footway.
