There will be tea/coffee and the talk will be followed by Q and A.

* * *

Christine is the Director of the transport charity, Sustrans Cymru, which has the vision to improve the way we travel to deliver happier lives and healthier places for everyone.

With a background in equality and inclusion, Christine has worked for over a decade in transport policy in Wales with a particular focus on reducing barriers to access. Chair of the Transform Cymru coalition, she has been leading on work to promote sustainable and inclusive transport for all and supporting the Welsh Government to utilise expertise in the development of the Wales Transport Strategy – Llwybr Newydd. Former Director of the Community Transport Association in Wales, she has knowledge and expertise on rural and demand-responsive transport.
